

# One-On-One Home Security Solutions

**The revolutionary new way of securing  
your home, family, and assets!**

Today's threats to your security are unique, dangerous,  
and real and your family needs advantages!

## **In One Day:**

- We will secure your home beyond anything you've ever done in the past
- We will train your family how to practically and effectively prevent and survive incidences-of-violence
- We will show you how to practically and effectively defend yourself and win physical confrontations
- We will provide you with a tactical "plan" specifically for your home
- We will establish a foundation for achieving true security that will keep your family secure for a lifetime

**When it comes to real security...  
Blue-U Defense is the only option!**
